Last year was another tough one, bringing more uncertainties and a sense of “when will this be over?” But we have much to be grateful for, starting with the dedication of many of our staff, who have given their all to care for residents here at Citizens. So we begin 2022 saying THANK YOU for sticking it out with us throughout the last year. And THANK YOU to the residents, who are our personal heroes for what they’ve been through and for calling CCRC their home. May the new year bring hope to us all. ♥

“Life’s most persistent and urgent question is, ‘What are you doing for others?’”

~ MLK

In December we wished much luck to a few of the best, as Betty and Diana (Nursing) and Gloria (Dietary, right) retired. Thank you for your many years of service to the residents here at Citizens. Your kindness, commitment, positive spirit, and hard work will surely be missed by all!

Wanted: DVD Documentaries to show the residents– interesting places, people, hauntings (just factual), travel, animal, biographies, treasure hunts, and anything else you think the residents may enjoy.

Documentaries make for an interesting change of pace from fiction movies. Thank you very much for looking through your DVD collections and pulling out a few things you may not use or want anymore. Please drop off at Activity office.

Your kindness is appreciated.

Please contact someone in Activities if you would like to borrow an iPad. These tablets can be used to play games, search the internet, or video chat with loved ones. This may give you a more interesting change of pace while you're spending more time in your room during this current outbreak!

The residents were blessed this Christmas with gifts! Thank you to the many individuals and organizations who donated items and funds to contribute to the bounty we were able to pass on to the residents. This includes staff, community members, as well as our very own volunteer Curtis Epps' church community who bought high quality soaps, lotions, (and a little candy!) to add to resident gifts. It wouldn't have been possible without the generosity and kindness of others!

Santa's Workshop was packed as elves prepared many gifts for each resident to receive on Christmas morning.

In December, many Baptist Believers services were a full house as residents flocked to listen to the good news from our volunteer/minister Curtis. We all look forward to when we can worship again in person together.
